Yes! We want to help the State Theatre achieve its goals. The primary mission of the State Theatre is to provide a stage to celebrate and explore the arts together. In accomplishing this goal: We will bring together, entertain and enrich the lives, of people of all ages, races, income levels, and cultural interests. We will serve a population residing and/or working in the Lehigh Valley and beyond. We will provide a variety of performing arts. We will also provide a unique facility for business and social gatherings. We will preserve our physical resources and manage our financial resources in a way that is respected by our patrons, our donors, the vendors with whom we do business, and the community we serve. Finally, we will consistently seek new, innovative ways to serve the diverse cultural interests of the community.
